Source: World Bank (complete URL address in the General Notes)
NOTES:
- For merchandise trade - sum of exports and imports.

- Country groups are weighted using population for most indicators with the exception of those on skills development, financing for e-commerce and days to clear direct exports through customs. Regional average values relate to developing economies in those regions.

SYMBOLS FOR MISSING VALUES:
0: Zero means nil or negligible
#N/A: Not available or not publishable
